Topic: *Career Programs Around NYC to Advance Skills or Transition Careers*

Join us for our first meeting of the new program year as we will be joined by representatives from **General Assembly**, **rSquare**, **New York University**, and **Baruch** to learn about various continuing education programs at their schools that train professionals in the latest "in-demand" skills that employers are looking for today.

They will be sharing with us:

- How we as career professionals can share info about their programs to guide our clients looking to change careers or advance their skills in a particular field.
- The types of career opportunities that their graduates embark upon after their programs.
- Skills that are in demand today and how these schools are meeting that demand.

Coordinator: Satya Chheda Patel, CDSN Program Committee Board Member
